Jose Fresnedo, 54, met Candy Arrieta, 34, online and the pair had been chatting for weeks.

But when he arranged to meet up with her, she turned up with her fella, 35-year-old partner Mohamed Achraf, and the pair slayed him.

'Sensitive' meerkat TV ads pulled

INSURANCE
comparison site Compare the Market has pulled its 'Compare the meerkat' television advertising campaign from appearing around news sections following Russia's invasion of Ukraine.

The popular advertising campaign features a Russian meerkat called Aleksandr Orlov, along with his companion Sergei.

Over 13 years, Orlov has been portrayed as an extravagant billionaire, with the catchphrase 'simples'.

However, Compare the Market has taken the decision to make sure the adverts do not appear close to news sections.

A spokesperson for the site said: "We are continually reviewing our advertising to ensure we're being sensitive to the current situation."

UK bans ALL Russian ships

THE UK has become the first country to pass a law banning ships with "any Russian connection" from entering its ports, according to Transport Secretary Grant Shapps.

It followed concern about a Russian oil tanker scheduled to dock in Orkney on Tuesday.

Mr Shapps wrote on Twitter: "We've just become the first nation to pass a law involving a total BAN of ALL ships with ANY Russian connection whatsoever from entering British ports. Please RT to encourage all countries to do the same in support of the people of #Ukraine."

BORIS NO TO NO-FLY ZONES

EMOTIONAL: Daria Kalenjuk confronts PM

BORIS Johnson was confronted by a Ukrainian woman who emotionally demanded Britain and Nato allies enforce a no-fly zone to protect citizens from Russia's bombs.

Daria Kalenjuk, the executive director of the Anti-Corruption Action Centre civil society organisation, told the Prime Minister at a press conference in Warsaw: "Ukrainian women and Ukrainian children are in deep fear because of the bombs and missiles going from the sky."

"Ukrainian people are desperately asking for the rights to protect our sky, we are asking for a no-fly zone."

Mr Johnson said: "I'm acutely

conscious that there is not enough we can do, as the UK Government, to help in the way that you want, I've got to be honest about that.

"When you talk about the no-fly zone, as I said to (Ukrainian President) Volodymyr Zelensky a couple of times, unfortunately the implication of that is the UK would be engaged in shooting down Russian planes, it would be engaged in direct combat with Russia."

"That's not something that we can do or that we've envisaged."

"The consequences of that would be truly very, very difficult to control."

PUTIN POINTS HIS NUKES AT OLD TRAFFORD

GROUND ZERO: Putin plans to wipe out stadium (below)

Tyrant wants to destroy Man Utd first

AS brutal warmonger Vladimir Putin intensifies his war against Ukraine, he has been warning the West to stay out by threatening a nuclear strike.

And Manchester United's ground, Old Trafford, is near the top of the evil Russian President's list of targets in the UK.

The crazed tyrant is adamant nothing will stop him in his bloodthirsty quest to rule over neighbouring Ukraine.

And with missiles reigning down on civilians in Kyiv and Ukraine's second city

Kharkiv, he has proven he has no problem killing innocent men, women and children.

And as Ukraine's leaders begged NATO leaders to impose a no fly zone in their country to stop the Russians attacking, Putin made it clear why that would be a bad idea.

He insisted there would be dire consequences for NATO countries if they interfere in his invasion.

And experts conclude that includes launching nuclear weapons.

Insiders claim he can win

a nuclear war with the West, despite decades of belief on both sides that this outcome is impossible.

And CIA experts who have seen a list of his priority targets say Old Trafford is amongst them.

It is believed the killer politician would lay waste to all the UK's cultural icons, as well as its major urban areas.

A source said: "He wants

any survivors to be utterly defeated.

"That means everything they hold dear being totally destroyed."

"He is gambling that the West will not respond in kind. "Let's pray he doesn't want to test his theory."

Manchester United's Old Trafford is the largest club football stadium in the UK with a capacity of over 74,000.

200,000 Ukraine refugees can now come to UK

THE government has doubled the number of refugees from Ukraine allowed in the UK.

Downing Street set out further details on the extended scheme for Ukrainian family members of people living in the UK to come to the country.

The Prime Minister's official spokesman said people living in the UK would now be allowed to bring in "adult parents, grandparents, children over 18 and siblings" in addition to the immediate family members previously allowed.

It had been expected that around 100,000 Ukrainians would be eligible to come to the UK, but that has now risen to 200,000 under the widened scheme.

But Downing Street acknowledged it was "impossible to predict" how many would want to come, rather than stay in countries closer to Ukraine.

The PM's spokesman said: "We think it is right to have that open offer so that they can bring loved ones and be reunited with them should they wish to make that journey."

NHS shoring up cyber security

THE NHS is encouraging hospitals to shore up cyber security and examine its supply chain resilience in the wake of the situation in Ukraine, the head of the service in England has said.

The service is also working with Government to examine whether it has medical supplies which can be sent to help medical staff tending to casualties on the ground.

Amanda Pritchard, chief executive of the NHS in England, said: "The first thing is support for our staff who are from the Ukraine."

"The second thing (is cyber), we have written out to the NHS, a lot of it is just a good practice about what what you should be doing around cyber security."

UK'S 'MOST WANTED WOMAN' SEIZED

A FRAUDSTER dubbed the UK's 'most wanted woman' has been arrested walking her dog after nearly a decade on the run.

Sarah Panitzke, 47, disappeared in May 2013 while on trial over her part in laundering cash from a £1billion mobile phone tax scam.

She was arrested while walking her dogs in Santa Barbara, Tarragona, on Sunday,

the National Crime Agency (NCA) said.

Panitzke, originally from Fulford, York, was convicted and sentenced in her absence to eight years in jail.

Simon York, from HM Revenue and Customs, said Panitzke (left) had played a "pivotal role" in the scam, moving millions through offshore bank accounts.

The Spanish Guardia Civil said she was

tracked down to a town near Barcelona in 2015, but she became aware of the police operation to arrest her.

She disguised herself and managed to flee. Last month, she was traced to the small town of Santa Barbara and put under surveillance until her arrest.

Extradition proceedings have started to bring her back to the UK.

INSTA BAN:
This pic got
Ireland into
trouble

By **GRACE HOOPER**
news@sundaysport.co.uk

CELEBRITY daughter, model and actress Ireland Baldwin has been told she is facing a ban from Instagram after posting a pic showing her nipples.

Despite earning most of its cash from scantily clad models, the social media site is incredibly prudish.

And anyone posting what are deemed to be sexual images can be kicked off Insta.

That means trouble for Ireland, who is the daughter of Kim Basinger and Alec Baldwin.

Whipping

Because her latest image shows her in a seethrough orange top with no bra.

And her nipples are clearly on display, violating Instagram's terms and conditions.

The 26-year-old is no stranger to whipping her knockers out though.

She has regularly posed topless during her career as

a model and she has an absolutely cracking pair on her.

A source said: "Ireland is skirting very close to the line with this picture."

"There is a very big chance that she could be kicked of Instagram because she has clearly showed her nipples."

Latitude announces headline acts

LEWIS Capaldi, Foals and Russell Howard are among the first round of acts announced for the Latitude Festival this year.

The festival, which takes place in Henham Park, Suffolk, from July 21-24, will also host names such as Maggie Rogers, Little Simz and James Arthur.

The four-day festival will include food, music and comedy from names such as Tim Key and Rosie Jones.

Manic Street Preachers, Phoebe Bridgers, Groove Armada and Fontaines D.C. will also be headlining the show.

And Snow Patrol are particularly looking forward to returning to Latitude after being forced to cancel their headline slot in 2019 due to illness and then their special guest slot in 2021 due to the coronavirus pandemic.

Queen back at work after beating virus

THE Queen has been pictured hosting virtual audiences with ambassadors for the first time since her COVID diagnosis.

The head of state's recovery seemed to be progressing as she appeared via videolink from Windsor Castle to speak to dignitaries at Buckingham Palace after postponing similar engagements last week.

The monarch tested positive for the virus on February 20 and Buckingham Palace said at the time she was experiencing "mild cold like symptoms".

On Tuesday she received Andorran ambassador Carles Jordana Madero and Chad's envoy.

She also met Kedella Younous Hamidi, ambassador from Chad.

A palace source added: "The Queen is doing very well."

"She only had mild symptoms and is very grateful for all the support she received."

FOOTY star Michael Owen is fuming after vile trolls claimed his 18-year-old daughter will be going into PORN!

Stunning Gemma Owen has launched her own brand of swimwear and decided to pose in the cozzies herself to get some publicity.

The images see her in a high cut one piece that, when she turns round, reveals most of her bum cheeks.

But when the snaps were posted by the Daily Mail, its army of misogynistic perverts attacked.

And one even suggested the pretty brunette should be whipping her boobs and fanny out.

Naked

Isocoles, from Essex, ranted: "His spoilt overindulged daughter will never be one...going nowhere except OnlyFans."

OnlyFans is a porn site where punters pay a subscription to see models get naked and sometimes have full on spunk-drenched sex.

Other vile comments aimed at the teenager included: "I'd never get

fed up of Hammering that."

Among more simple comments were "What a bod" and "Oh yes. What a babe".

The remarks haven't gone down well with Gemma's dad.

A source close to the former England, Liverpool and Man United forward said: "He is bloody furious."

"His daughter is just trying to make a living and these perverts suggest she should go on camera doing sex things."

"She will never suck cock or take penises up her bumhole for a living and these perverts need to be stopped."

RIO RACIST IS SPARED JAIL

A MAN has been given a suspended prison sentence after sending online abuse to former England footballer Rio Ferdinand following the Euro 2020 final.

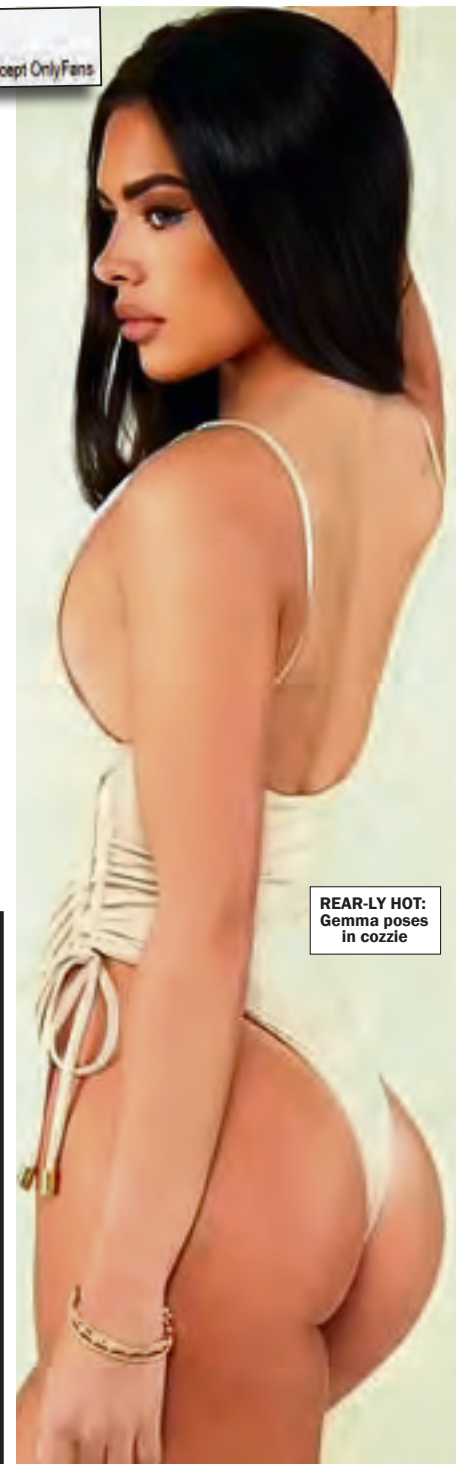

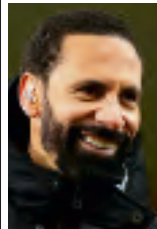

Robert Whippe, 54, pleaded guilty to two offences of "sending a grossly offensive message" at an earlier hearing. He was jailed for 12 weeks, suspended for 12 months.

The messages, which included emojis of a racist nature, were posted in the aftermath of England's defeat to Italy last July in the final of Euro 2020.

Ferdinand (left) had been working as a pundit at the game.

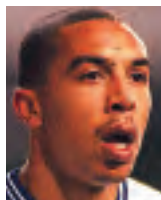

Whippe was interviewed by Hertfordshire Police under caution and admitted posting the two tweets but denied any racist intent and claimed the emojis were chosen at random.

He then did a "U-turn" and accepted that was not true, telling the officer: "I feel awful about what I have done."

Armstrong spared jail over assault

FORMER footballer Chris Armstrong has narrowly avoided jail after punching a Tesco worker in the face and causing £2,000 worth of damage to a supermarket.

The 50-year-old ex-Spurs striker was fined £180 and given an 18-month community order at Westminster Magistrates' Court for common assault and causing criminal damage to the Chelsea store while drunk last summer.

Sentencing, Judge Louisa Cieciora told Armstrong she was "just about persuaded that this does not cross the threshold for custody" but warned him that any breach of his punishments would land him in jail.

She also ordered him to complete 30 days of rehab and a six-month alcohol treatment programme.

The father-of-two pleaded guilty to the charges over the July 18 incident at the Fulham Tesco, which was caught on CCTV.

Retired Met cop denies rape charge

A RETIRED Metropolitan Police officer has pleaded not guilty to raping a woman more than 17 years ago.

Former PC Stephen Kyere was attached to Hammersmith and Fulham police at the time of the alleged offence in Teddington, south-west London, in April 2004.

The 56-year-old, who retired from the Met last March, was off duty, according to the force.

The defendant pleaded not guilty to rape, attempted rape and indecent assault between April 11 and 14, 2004.

The charges relate to the same woman, who cannot be identified for legal reasons.

Kyere, who spoke only to confirm his identity and enter pleas, was granted continued unconditional bail. He will be tried next year.

Wine bar does NOT have a sex dungeon

BOSSES of a wine bar took to social media to debunk a rumour it was using its basement seating area as a "sex dungeon".

Number 92, in Braintree, Essex, said on Facebook it "never thought it would need to confirm" that the basement area is not permitted for sexual activities.

The statement read: "Contrary to rumours that have been circulating around Braintree, we wanted to put on record that the basement seating area at Number 92 is not used, and has never been used, as a sex dungeon."

"We're happy to state that our basement area is available for private hire."

"Although, we do not allow anything to be attached to the walls, like chains or handcuffs."

PURE EVIL:
Hayes was

after his

By **BRAD CHADWICK**
news@sundaysport.co.uk

ROBERT Hayes is facing the death penalty for killing three women while he was majoring in criminal justice at college.

The beast, 39, was convicted by a Florida jury of first-degree murder for the killings in 2005 and 2006 while he attended Bethune-Cookman University, Florida.

Hayes was found guilty of killing Laquetta Gunther, 45, Julie Green, 35, and Iwana Patton, 35, with a .40-calibre handgun he bought from a local store.

Prostitutes

He is also charged with first-degree murder in Rachel Bey's killing.

State Attorney RJ Larizza says prosecutors intend to seek the death penalty against the former cheerleader and band member who had a darker side unknown to his friends.

Hayes is also accused of strangling a fourth woman, Rachel Bey, 32,

whose nude body was found in Palm Beach County in March 2016.

All four worked as prostitutes. Hayes was arrested in 2019 after DNA found on his cigarette was linked to Bey. Investigators then tied him to the three earlier slayings using ballistics and DNA evidence.

Hayes is also charged with first-degree murder in Bey's slaying. Prosecutors intend to seek the death penalty in that case as well.

A jury will consider Hayes' penalty. If jurors don't unanimously decide he should be sentenced to death, he'll be caged for life without parole.

SHOT DEAD: Victims Gunther, Green and Patton

Plane pest offered to show crew his cock

A MAN asked a flight attendant if she'd like to see his penis and then urinated on the floor of the cabin.

Samson Hardridge, 33, of Lancaster, California, was on a Southwest flight to Burbank from Dallas when he left his seat to use the toilet and started harassing the airline worker, prosecutors said.

He then allegedly became very hostile, yelling and threatening the flight attendants.

The plane was diverted to Albuquerque, where Hardridge was arrested.

He appeared in federal court on charges he interfered with flight crew members and attendants and will remain in custody until a detention hearing.

If convicted, he faces up to 20 years behind bars.

RETIRED COP CLEARED OF CINEMA TEXTER MURDER

A RETIRED police captain who fatally shot a man inside a cinema in 2014 for TEXTING was acquitted of murder by a jury.

Curtis Reeves, 79, was charged with second-degree murder after he gunned down 43-year-old Chad Oulson during a matinee screening of *Lone Survivor* in suburban Pasco County, Florida.

Reeves asked Oulson to stop texting during the movie previews, sparking an argument that ended with the former Tampa police captain opening fire.

Reeves (left) pleaded not guilty on the grounds of self-defence.

His lawyers successfully argued that police training informed Reeves' decision to open fire, as he believed his life was in danger when the victim threw his mobile phone at his face and appeared ready to climb over the seat and attack him.

Oulson died in hospital. His wife was treated after being shot in the hand.

Sex stunt nut forced battery down his cock

A MAN was forced to go to hospital after shoving an AA battery down his penis in a grotesque sex stunt. The 49-year-old told doctors in Tehran, Iran, that he had the charging device lodged in his genital organ for 24 hours, according to a case study published in the medical journal *Urology Case Reports*. He complained of a "recurrence of obstructive and irritating urinary symptoms including dysuria, decreased urinary force". He also experienced a burning sensation when trying to urinate. To prevent permanent damage, surgeons sliced open the patient's perineum – the tissue connecting his penis and anus – so they could access the urethra without harming his testicles. They then removed the battery and used a skin graft from the inside of his cheeks and lips to repair the urethral damage.

WE'VE just been through two years of plague and now we're on the verge of nuclear oblivion...

MONSTERS OF DEATH ROW

THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...

IT'S one thing to callously murder your girlfriend in a fit of rage. But forcing their 12-year-old daughter to help you dispose of the body by dismembering it with a circular saw is another act of evil altogether...

'He forced Keyuna to hold her mother's severed head, wrap the body parts in plastic bags and place them in the freezer'

YOU can only imagine the terror experienced by young Keyuna Thomas.

She watched in horror as her father, James Hawkins, brutally stabbed her mother, Charlene Gaither, in the neck after she threatened to call police during one of their regular arguments.

It was Keyuna who then had to clean the still-warm blood that covered the floor and walls – blood that had drained away from her dying mother.

And it was Keyuna who was made to help drag the body away to a freezer, where it was temporarily stored.

Keyuna, who was just 12 years old, reched with disgust, grief and fear as Hawkins set about carving body parts – including

By **KOURTNEY KENNEDY**
news@sundaysport.co.uk

the head from Charlene so that it would be easier for him to dispose of the body.

In harrowing, grim detail that stunned a courtroom, Keyuna described how her father had not only forced her into such awful acts, she had only been allowed to "look away" from the scene of barbarity in front of her once Charlene's "head fell to the floor".

In truly shocking testimony, Keyuna said: "I told my dad I didn't want to do this any more. But he said to me, 'You want to die, too?'"

So when Hawkins was eventually handed a death sentence in a courtroom in Memphis in June 2011, it was

one of the easiest decisions a jury ever had to make.

District Attorney General Bill Gibbons said: "After reviewing the facts of this case, I have never felt more strongly about giving a jury the option of imposing the death penalty in accordance with our state law."

As is so often the case, abuse breeds abuse in a never-ending cycle of atrocity.

Raped

Hawkins had been brought up in a violent home in Tennessee.

And his own father, James Hawkins Sr, was equally nightmarish.

In 2014, a few years after Hawkins Junior's murder conviction, it emerged that his dad had repeatedly raped two children – a relative aged between five and 10 years old, and her 18-year-old half-sister, when she was aged 11 to 14.

Hawkins Snr, then 63, was handed a 50-year stretch in prison with no possibility of parole.

And if the younger Hawkins was aware of the actions of his father, it almost certainly influenced his own future behaviour.

Hawkins, then a disgruntled warehouse worker, made extra money on the side by taking part in a string of armed robberies.

By 1999, Hawkins had amassed 18 criminal convictions for aggravated robbery and aggravated assault.

He was paroled in 2007 after serving part of a 15-year sentence.

When he returned home to live with the long-suffering Charlene, daughter Keyuna and their two younger sons – who can't be named

for legal reasons – the depravity truly began.

Hawkins promptly began to rape and sexually abuse his own daughter.

Brave Keyuna kept the abuse a secret, not only to protect herself from reprisals from her father, but to spare the innocence of her two brothers.

On Boxing Day 2007, Keyuna suffered a miscarriage. She'd been 10 weeks pregnant.

She told nurses at the Methodist LeBonheur Children's Hospital that she had been in a consensual sexual relationship with a school classmate.

But it became clear that was a lie. She had actually been made pregnant by her own father.

Charlene, meanwhile, grew ever more scared of the man she was sharing her home with.

She confided in friends – and even her former husband – that Hawkins was making threats to kill her.

In January 2008, Charlene, 'hysterical' with fear, went to court to try to get an order of protection against Hawkins.

The official court documents state: "In describing the basis of her request for an order of protection, the victim reported that the defendant had become violent on January 12, 2008, and that he had pulled her hair when she told him that she and the children were leaving."

"The victim also expressed concern that the defendant had been sleeping in the same bed with her daughter.

The victim stated she wanted the defendant to 'just stay away'.

A protection order was issued that same day – but it was never served on Hawkins and the case was dismissed before the end of the month.

Weeks later, Charlene was dead – killed by the man she was so desperate to escape from.

The first police knew something was wrong was when Hawkins called the station to report that Charlene was missing.

Bleach

Memphis Police Department officer Kimberly Houston was dispatched to interview Hawkins. And when she arrived, she didn't just smell a rat – she smelled death.

Police records state: "As they walked up the stairs to the defendant's apartment, officer Houston noticed footballs scattered near the entrance."

"Upon entering the apartment, officer Houston noticed a strong smell of bleach and ammonia."

"It was so bad that her eyes started to water.

Officer Houston asked why the smell was so strong.

"The defendant said one of the kids had dropped a bucket of bleach and he was trying to get rid of the smell with the ammonia."

Of course, Charlene never showed up. She'd been sawn into chunks and discarded by a roadside.

The first pieces turned up on February 14, 2008 – Valentine's Day.

Lance McCallum, an employee with the Mississippi Department of Transportation, discovered a body with the hands cut off above the wrist, both feet cut off above the ankles, and the head and neck removed.

The body also had three very deep cuts to the bone on the thigh, knee and shin of the right leg.

WARPED: Hawkins tried to blame his daughter for the murder of Charlene Gaither (above)

I may have covered it up."

When officers asked him what he meant, Hawkins callously tried to blame the crime on his daughter, saying it was Keyuna who had stabbed Charlene in the neck and that he had simply helped her try to get rid of the evidence.

That excuse was quickly ridiculed by detectives.

It was Keyuna's own testimony that revealed what really happened on that fateful night.

She described how, after her mother had been slain, she had got in the car with Hawkins and her two brothers.

Hawkins drove to a local DIY store.

There, they had bought an electrical circular saw and cleaning materials.

On arriving back at home, the two boys were ordered to wait in the car outside while Keyuna and Hawkins went back in.

At some point, one of the boys had gone inside to use the toilet and had seen "red liquid dripping from an upright freezer in the kitchen of the apartment."

The court was told: "Believing it was Hawaiian punch, he asked the defendant if he could have some of it."

"The defendant told the boy it was not Hawaiian punch and

FOUND GUILTY OF MURDER: Hawkins during his trial

instructed him not to open the freezer."

Hawkins eventually moved the body from the freezer to the bath.

What happening next is truly harrowing.

Garbage

The official court documents state: "The defendant taped Keyuna's hands behind her back and ordered her not to turn away as he sawed off the victim's hands, feet and head with the saw they'd just purchased."

"He forced Keyuna to hold her mother's severed head, wrap her mother's body parts in plastic garbage bags, and place them back in the freezer."

"He also forced

Keyuna to help him place the rest of the victim's body back in the freezer."

"That night, the defendant woke Keyuna and forced her to help him place the victim's remains in the trunk of the car."

"The defendant took Keyuna for a long drive to Mississippi, where they eventually stopped on a bridge."

"The defendant called for his daughter to help him remove the victim's body from the trunk and put it in the ditch."

"The defendant disposed of the victim's head, hands and feet somewhere else on the drive home."

Hawkins was found guilty of murder and

placed on Death Row on June 12, 2011, by Judge Chris Craft.

Hawkins asked if he could say one thing.

When the judge agreed, he mumbled: "I do want to apologise to the Gaither family for what I did."

Violence

It was as close to remorse as he got.

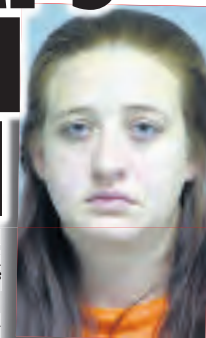

For Charlene's father, Louis Irvin, the sentence came as a release.

He sobbed: "I got at least some justice for my child, for my baby."

"I'm sad, though, that his mother is going to lose a child."

"We need to make this an example. We have to stop this violence and hatred."

SEX MISS FILMED TABOO ROMPS WITH TEEN

KINKY DREAM: Crum

A TEACHER is accused of filming kinky sex romps with one of her students.

Cops arrested Caitlin Crum, 26, a teacher at the Calvary Christian Academy in Middleburg, Florida.

She is charged with sexual battery of a minor.

Investigations began in November, when the alleged victim confessed to having a relationship that became sexual with former fast-food delivery driver Crum.

The victim said he met Crum when she would deliver pizzas on Fridays to the school.

Lick

Crum then became a supply teacher and eventually a full-time English teacher at the school and taught the victim English.

The victim told investigators that Crum would travel to meet him at a relative's home in Nassau County.

During the visits, there were multiple sexual encounters between them.

The report says Crum used the victim's mobile phone to record a video of one sexual encounter.

The video was later recovered from the

victim's mobile phone, the report says.

Cops also found "numerous" messages from Crum to the victim.

In one, Crum wrote: "I'm shaving my pussy right now so it's all smooth for you to lick it. I want to hold it open for your hot tongue flicking my clitty and darting into my wet hole."

Another stated: "I've just been in the bath and put a finger in my ass. Would you like to put your cock in my ass. I'm dreaming about feeling your cum in my ass."

She was interviewed and booked into the Nassau County jail.

Crum is still listed as a senior high teacher on the Calvary Christian Academy website.

But the Rev. Ken Pledger said she has been dismissed.

He also said church officials are not aware of any misconduct on school property.

HIMSELF:
Putin is a
dead man
walking

AS someone not unfamiliar with the experience of waking up with a crashing hangover and an immediate sense of impending doom, I feel I may have an insight into the mind of Vladimir Putin.

One moment he's slipping between his initialled Egyptian cotton sheets smeared in lashings of pungent macho whale oil as he prepares to slavish his forked tongue over whichever taut gymnast he's got his small, sticky hands on lately.

The next he's waking up alone in his billionaire bunker bed wondering what the f**k he's done this time.

The Russian President's invasion of neighbouring Ukraine isn't going to plan – at all.

And Putin will be crapping himself, if his steroid-ravaged body still allows his arsehole to open voluntarily.

That won't be music to the ears of those in Ukraine who have already suffered and the others who will unfortunately continue to do so until this madness ends.

Nuke

And that could come quicker than we think.

The moment Putin upped the ante by implying his willingness to use his nation's vast nuclear arsenal, everyone sat up and said: "What??"

Only one thing will happen if Putin considers firing a nuke at *anyone*, never mind "the West".

And that will be Moscow and its people disappearing in nanoseconds as counterattacks are launched by whooping, trigger-happy US generals.

The stunning towers of the Russian capital's Saint Basil Cathedral will not so much crumble as vanish into the ether.

His old stomping ground at the

Kremlin will be gone. And the radioactive spoils of that US bomb – or bombs – will leave Russia such a barren, lifeless wasteland that it'll make the Chernobyl disaster look a bit of a minor squall.

But as he lies there in his bunker, about ten miles underground with socially distanced tanks guarding his ridiculous gaff, he knows he can't turn back, either.

How stupid would he look – or more stupid, after his recent face alterations – if he just held up his hands and walked away now?

He can't. But he's almost certainly wishing he'd thought this all through properly.

The mad little bastard can't even get his own citizens onside, never mind Ukrainians, or the rest of the world.

Terrified

He can't arrest every anti-war protestor in his own country.

He can't fight every country on Earth who are against him.

And let's face it, the man can barely even blink.

What we're watching here is the last throw of the dice by a man convinced that what the world really needs is another Soviet Union – run, unilaterally, by him and him alone.

But he's a dead man walking. Forget the rest of the world, he's so terrified of his own people that he can't even walk down a street in Russia.

He ordered huge, ballroom-length tables to decrease any chance of catching COVID from any of the tiny number of people allowed to meet him in person.

And he looks like the type who, behind closed doors, puts on high heels and make-up and a feather boa, before tucking his steroid-shrunken dick between his legs and asking the mirror: "Who's a pretty boy, then?"

Unlucky, Vlad. You'll be remembered as a tart.

#MY SEX FANTASY

'I adore anal... but you have to do it right guys'

MY favourite sexual fantasy is anal... I can't get enough of it!

I don't do it all the time so when I do it's a real treat. It's the cherry on top of a sexual sundae.

I'm sorry to say not a lot of blokes know how to do it right though... but when they do, it's insanely pleasurable.

So don't just thrust it in fellas. You've got to get us relaxed... through light touch and teasing.

Don't skimp on the foreplay.

I love the sensation of a tongue flicking across my bum hole!

Then, using plenty of lube, gently stroke the outside with your finger and penetrate me with it.

When you've warmed me up like this then I'll be begging for a cock inside my arse!

I love a strap-on too for some dual vaginal and anal stimulation. And if I rub my clit as well this all makes me cum bucketfuls!

Man who shot Nazi flag thief kills himself

A NAZI sympathizer accused of shooting a woman for swiping the swastika flag outside his home has committed suicide while awaiting trial.

Alexander Feaster, 46, died from a self-inflicted gunshot wound to the head, according to Police Chief Nicholas Payne.

Feaster (above), who had served in Iraq and Afghanistan, was found dead in his mother's home.

He allegedly shot 26-year-old Kyndal McVey in the back outside his home in Hunter, Oklahoma.

McVey had been at a party across the street from Feaster's house when someone dared her to yank down one of his two Nazi flags.

As she bolted back to the party with one of the flags, someone yelled "Gun!" and Feaster opened fire with his AR-15 rifle, striking her several times in the lower abdomen and legs.

She survived and Feaster was charged with counts of assault and battery with a deadly weapon.

Drug smuggler tried to disguise stash as onions

A SMUGGLER attempted to cross the Mexico-US border with a giant stash of crystal meth disguised as ONIONS.

"This was not only a clever attempt to try to smuggle in narcotics but also time consuming to wrap narcotics into these small packages, designed to look like onions," said Sidney Aki, the Director of Field Operations in San Diego for US Customs and Border Protection.

The 1,197 packages of methamphetamines, valued at £2million, were shaped into small globes with a white covering and packed among real onions in the back of a tractor-trailer.

The stash was discovered by dog units at the Otay Mesa border crossing between Tijuana and San Diego.

The 46-year-old driver, a citizen of Mexico, was arrested.

THE WORLD FAMOUS AGONY

Dear Sam,

I HAD to laugh when I visited a pal of mine who's in the sex industry last month.

She said her previous client had been a bloke aged about 75, and though she tried for over an hour she failed to stiffen the eager old chap's limp old chap.

She claimed she'd tried wanking him with oil and even licked his balls, but without any success.

Then she did a striptease for him, talked absolute filth, let him sniff her panties and even sat on his face, but nothing she could do could get the old boy's penis to step up to the plate, as it were.

Frustrated and angry with himself, he apologised and said alcohol was probably to blame and that he had better get hold of some Viagra for his next visit to her.

When she asked him when he'd last had a drink he told her it was when his wife left him...in 1993!

CT, Berks

Sam says...

YOU'VE got to give the old chap full marks for trying.g.

Dear Sam,

THERE is a barmaid in my local who gives blowjobs for a tenner and will let anyone shag her for £50.

I'll be the first to admit it's not the most classy of establishments but I've been going there regularly for years, especially since this lovely, keen and hardworking brunette started behind the bar.

I've boned her five times in recent weeks. It's usually in the gents, and there is always a queue, but she gives excellent value and lets me take my time with her.

I love the way I can cup her massive tits as I back-scuttle her over one of the bogs. She has this lovely technique of reaching between her legs and giving my balls a squeeze, which seems to make me harder and come like an express train.

I'm 60, and have been divorced three times but would love to have her as my new wife.

She's 25, single and has got four kids.

Do you think I should ask for her hand in marriage?

GH, Hants

Sam says...

GO for it. If you don't ask, you don't get!

Missus is calling me out after one night stand

Dear Sam,

I WENT to a fantastic bash last week and ended up shagging a really tasty brunette who was wearing a see-through blouse, a leather mini-skirt and black stockings.

It seems she was he was an old college pal of the party's host and was visiting from London specially.

As I chatted to her it was all I could do to stop myself from staring at her enormous tits, which were braless beneath her top, but I'm sure she knew that.

I moved in close to her and she was immediately responsive, and when I suggested we go upstairs to see if we could find a quiet

bedroom, she was well up for it, discreetly giving my cock a squeeze through my jeans by way of confirmation.

Once we found a bed we stripped off and she went wild for my eight-incher, taking it in all of her lovely orifices.

It was strictly a one-night stand for both of us, because we've both got regular partners, and I don't plan to see her again.

The problem is I left my phone there and my missus wants to know where it is.

HR, Gwent

Sam says...

TELL her it got nicked!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Should I let my chums play with the missus?

Dear Sam,

THE other Sunday afternoon my mate invited me and the lads to watch the footie round at his house.

His missus kept us supplied with snacks and beers and as half-time approached she disappeared up to her bedroom.

When she came back to the living room she was wearing a black PVC French maid's outfit with a tiny skirt and a low-cut front showing off her cleavage – she was absolutely stunning.

Her husband was apparently shocked and went as red as a beetroot at first but he soon joined in the fun.

As she bent down to pick up some empty beer cans he got behind her and lifted her skirt and pretended to shag her doggy style.

"Come on, then, why don't you give me a length," she said as she bent right over so that her massive tits fell out of the front of her dress.

To our shock and amazement he obeyed, unzipping his flies, pulling out his cock, easing down her frilly panties and sliding his erection easily into his clearly aroused missus.

As he pumped away you could see the thrill and lust on her face as she looked at each of us in turn with a really filthy come-on look in her eye.

So as her hubby carried on giving her one from behind I slid over and slipped my hand between her legs.

I stroked her hot, hard clit and at the same time started undoing my jeans.

Sucking

She was keen to help and soon had my stiffening prick out and in her warm, wet mouth, wanking me and sucking at the same time.

At first the other lads cheered us, but you see they too were keen to get involved and were rubbing at their own parts.

Soon there were hands all over her, groping her boobs and fingering her

dripping pussy after her hubby, having emptied his ballbag, settled back on the sofa satisfied and watched his wife get reamed.

She was wanking and sucking off my mates with total enthusiasm, and we all had a turn at shagging her till everyone, including her, had reached a climax. It was a damn sight more fun than the football!

My problem is, am I expected to return the favour, and invite the lads round to mine next time? I'm not sure my missus would be quite as accommodating!

BK, South Yorks

Sam says...

YOUR friend and his wife clearly planned the whole thing all along. You need to sound your wife out first, to see if she likes the idea of shagging other men. She might!

Dear Sam,

Does hubby want me or strippers?

Dear Sam,

MY husband went for a night out with his mates to a strip club.

We've been married for eight years and trust each other, so I had no worries about him having an affair or anything like that.

When I heard the key scratching in the lock at about 3am on his return I was just relieved that he'd managed to find his way home OK.

When he got up to the bedroom he started to ramble on drunkenly about how fantastic all the strippers had been and how they contorted their bodies and fiddled with their bits and even played with sex toys while on stage.

Despite all the booze he'd obviously had, he was as randy as hell and slipped his hands straight down to my pussy.

He worked on my clit for a while before sliding first two, then three fingers

deep into me as I found myself getting more and more excited.

Then he climbed out of his clothes and on top of me and went for it.

I was soon on all fours as he rammed into me like never before.

I couldn't believe his incredible stamina as he thrust in and out for ages before we both had huge climaxes.

The next day he said that he and his chums would be going once a month to the strip shows.

I nervously agreed, thinking that at least I would get a real shafting out of it – even if it was only once a month.

But since that visit he's always after me for sex and I reckon when he's giving me a rogering he's really thinking about all those strippers.

What do you think?

MJ, South Yorks

Sam says...

DOES it matter? It's you he's shagging, after all.

DO YOU HAVE A SEX PROBLEM?

GORGEOUS Katarina Hartlova loves the effect her massive 32FF boobs have on fellas.

Katarina, from Solihull in the West Midlands, said: "I really can't wait for when the weather gets warmer and I can wear some of my more skimpy clothes."

"I really love the way blokes drool over my boobs – especially if I'm not wearing a bra and my nipples are poking through."

"Once or twice their wives or girlfriends have caught them looking and I have a little giggle as the poor fellas get told off."

"But the best way to get a good look at my boobs is to buy the *Midweek Sport* – and take all the time you need over my photos!"

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

SHOW ME THE HONEY!

CARMEN GEMINI

LOVED-UP Ricky Snelling wants glamour fave Carmen Gemini in his back seat!

The 46-year old taxi driver from Brixton, south London, says the lovely pin-up is the best of them all!

The Czech stunna is the apple of Ricky's eye and he'd love to take the 34C Prague babe out in his cab.

He said: "I meet loads of people doing this job but if Carmen got in my car I'd be speechless."

"You can be sure I'd give her the ride of her life, though!"

WELCOME to interactive Midweek Sport - where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see - TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service - UNIQUE to British newspapers - is totally FREE!

All you have to do is drop us an email to request@sundaysport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

DANIELLE TWEBEEKE

LONDON lovely Danielle Twebeeke is the "ultimate fantasy" of Birmingham

brickie Barry Cooper.

The 26-year-old says he loves the *Midweek Sport* but his favourite glamour girl is Danielle, from Fulham, as he loves her 32C norks.

He said: "I love reading your paper but I don't see much of Danielle these days so please can you print a sexy picture of her this week?"

"I would love to meet her in the flesh and see if she's as gorgeous in real life! She's probably my ultimate sexual fantasy!"

CASSIE TRUMAN

NOTHING brightens Karl Cooke's night faster than Kent cracker Cassie Truman.

When the Stoke security guard starts his night shift he always sneaks a peek of his fave glamour girl, from Maidenhead, and her 34DD knockers.

Karl, 35, said: "I'm a bit of a night owl because of my job. It can get a bit lonely at times, and it's often freezing too."

"So I always stock up on snaps of Cassie. I've got a whole folder of her boobs on my phone - they definitely keep me warm all night long!"

#HOT'N'HORNY

SAUCY Scarlet Bouvier says she loves to strip down for a bit of solo action, but admitted she'd much rather have a threesome with two GUYS.

The beauty said she's always naked around the house and often resorts to digging out her favourite toys when she's single.

But the 32E brunette, who hails from Brentwood in Essex, said she is really gagging for some kinky two-on-one action.

She said: "The thought of another woman is a real turn-on. She would have to be stunning, though."

"But at the same time I wouldn't mind two guys, if they were both really hot."

"That would be amazing!"

Scarlet added: "I am always naked at home. I practically live with no clothes on."

"I just love being nude!"

Misfiring Leeds go Marsch-ing on together

By ANDY MILLOM

JESSE Marsch is the man Leeds are backing to keep them in the Premier League.

The former Red Bull Leipzig manager takes over from Marcelo Bielsa who was fired at the weekend with the Yorkshiremen dragged right into the relegation battle.

Leeds sit 16th in the Premier League and just two points above the dreaded bottom three.

American Marsch has been in Leeds' thoughts for a while and has 12 matches to keep the team in the top flight.

Leeds's director of football, Victor Orta, said: "We are delighted to welcome Jesse to the club and excited for him to lead us into this new chapter."

"Jesse is someone we identified a number of years ago during his time at Red Bull Salzburg and we believe his philosophy and style of football aligns with that of the club and will suit the players very well."

Results

"We have a long-term plan and firmly believe he can take Leeds United to the next level and are excited for what the future holds."

Marsch spent almost ten years in the Red Bull set-up.

He was in charge of their American club in New York before moving to Salzburg in 2018.

Leipzig when put him in charge at the start of this season.

But the 48-year-old only lasted four months before being shown the

door after a run of poor results. They have since recovered and sit fourth in the Bundesliga.

Marsch has signed a three-and-a-half year deal at Elland Road.

Leeds Chief Executive Angus Kinnear added: "We are really pleased to have quickly secured the services of our first-choice head coach."

"While the short-term objective for Jesse is obvious, we believe he has the courage and ambition to build on the strong foundations we have created over the last four years and elevate the performance of the club over the long-term."

"He had success with New York Red Bulls and Red Bull Salzburg and has demonstrated during our many meetings that he is a great fit with the footballing culture of Leeds United."

Marsh kicks off against Leicester away on Saturday.

HARD TO WIN:

IT'S SO HARD TO WIN IN ENGLAND

Standard much higher than Europe says Conte

ANTONIO Conte thinks it's easier to win the Champions League than the Premier League!

The Tottenham gaffer says the quality of opposition is so strong in England that it takes an epic battle to win even the League Cup.

Conte says Liverpool's hard-fought penalty shoot-out win against Chelsea underlines the strength of English club football.

Difficult

The Italian is expected to bring silverware to Spurs for the first time in 14 years.

But he is trying to keep a lid on expectations.

He said: "To win trophies in England is very difficult."

"At the moment it's easier

By PAUL THOMAS

to win in Europe than England. When you start to play the quarter-final, semi-final, final, you have to fight against a top, top team that probably could play the final of the Champions League. It's important to continue to go through in this trophy."

"This happened in the Carabao Cup."

"Don't underestimate the semi-final of that Tottenham reached."

"Because the final was Chelsea v Liverpool, so to reach the semi-final in this moment was a good result for Tottenham."

"For sure this has to be a boost to push us to improve the level, to be competitive, to try to meet a trophy as soon as possible."

"Because if I speak about

the future, you don't understand the time that we need."

"For sure it'll be important to improve the level and fight to win a trophy. But I repeat, to win a trophy now is very difficult."

Conte thought the Carabao Cup final was a great advert for English football.

He added: "I want to celebrate the game between Chelsea and Liverpool, it was a great, exciting game to watch."

Fantastic

"This also underlines how difficult it is to win trophies in this country."

"It was amazing for me and all the people in other countries to watch this game."

"Great congratulations for me to Chelsea and Liverpool, the players, the coach, for the

fans, for the total environment it was a fantastic sport for football. I think that England has to be proud about this."

Meanwhile, Conte says he's sad that Spurs's 4-0 win was the final straw for Marcelo Bielsa at Leeds.

The veteran left Elland Road on the back of that defeat.

Conte said: "I'm very disappointed because we're talking about an important manager and we are talking about a person that is a master for many managers, for many coaches in the past and in the present."

"In every situation, he showed great integrity and honesty in football, it's not always you can find this type of person."

"I'm really disappointed but I understand the club has to try to change a situation."

EVERTON DEMAND ANSWERS FROM THE FA

Toffees back up gaffer on video nasty!

CAN'T REWIND:
Lampard is still
angry over the
video ref's call

By MARK NAYLOR

THE Premier League is coming under pressure to improve the officials operating VAR after the latest in a long run of contentious decisions.

Everton are said to be boiling with rage after they were denied a blatant penalty against Manchester City.

Even the biggest diehard Cityzens fan admits it was a stonewall spot-kick when Rodri controlled the ball with his arm inside the penalty area.

Referee Paul Tierney was unsighted. Then VAR official Chris Kavanagh decided it wasn't a penalty despite having all angles at his disposal.

Unhappy

While nobody is suggesting anything improper has gone on, critics say a referee from Greater Manchester – Kavanagh was born in Ashton Under Lyne, just four miles from the Etihad – should not have been officiating a City match.

Everton have written to the FA to underline how unhappy they are about the decision and asking for an explanation.

Boss Frank Lampard said: "There is no doubt, there is no probably to it. The decision is

LAMPARD STILL FUMING OVER PEN

incredible, incredible, and that loses us the opportunity to get what we deserved.

"That's a VAR call. That's Chris Kavanagh, I spoke to the referee and they know it is a penalty.

"That's the reason we have VAR. It wouldn't have needed more than five seconds to know it was a penalty. Kavanagh should have either told the referee to give it or told him to go look at it.

"We've lost a point because of a professional

who cannot do his job right. You start searching for whys and I can't think why. It is so incompetent to get it wrong.

"Pep will know, Everton fans will know, City fans will know, it was the clearest penalty you could give.

"Incompetence at best, at worst who knows? I'll wait for the statement or apology they do when things are wrong but it will mean nothing."

The Premier League put

out a statement saying there was "not clear enough evidence to show conclusively that it was handball."

Former top Premier League referee Dermot Gallagher doesn't agree with that and thinks Lampard has a point.

He believes the VAR officials get too hung up on looking for the perfect angle rather than using common sense.

He said: "It is a penalty, no doubt. I think the VAR inspected it for too long."

"Paul Tierney is looking through players, he can't see the incident and Rodri is covering him. I think this should have been a VAR decision.

Seduced

I think the VAR focused on the first angle and there was an element of doubt despite the second angle clearly showing it's handball.

"He got seduced by the first angle going into the second angle.

"Most people will agree it's a penalty.

"I know that's not going to help Everton but we've got to learn that if one angle is inconclusive focus on the angle that is conclusive. That's the message."

RUSSKIES BANNED BY UEFA AND FIFA

By ANDY MILLOM

FIFA and UEFA have grown a pair of bollocks and banned Russian teams from club and international competition.

It means the national side won't be playing Poland in their World Cup play-off next month. The women are barred from this summer's European championships.

On the club front, Spartak Moscow have been booted out of the Europa League.

UEFA have also terminated their sponsorship deal with Russian energy giant Gazprom.

That will cost Europe's governing body around £35m per year.

A joint FIFA and UEFA statement read: "Following the initial decisions adopted by the FIFA Council and the UEFA Executive Committee, which envisaged the adoption of additional measures, FIFA and UEFA have today decided together that all Russian teams, whether national representative teams or club teams, shall be suspended from participation in both FIFA and UEFA competitions until further notice."

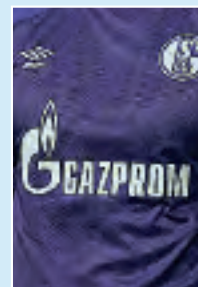

Solidarity

"These decisions were adopted today by the Bureau of the FIFA Council and the Executive Committee of UEFA, respectively the highest decision-making bodies of both institutions on such urgent matters."

"Football is fully united here and in full solidarity with all the people affected in Ukraine."

"Both Presidents hope that the situation in Ukraine will improve significantly and rapidly so that football can again be a vector for unity and peace amongst people."

The governing body's hand have been forced by a run of nations saying

GONE: Sponsors Gazprom

they would not play against Russia.

At first they were going to play as "Football Union Of Russia" but that idea lasted just hours.

England, Scotland and Wales all said they wouldn't be playing Russia whatever name they were under.

The Three Lions said they will refuse to play against Russia at the World Cup and women's Euros.

That statement was echoed by the other home nations.

With the decision by UEFA and FIFA, that will now not be happening anyway.

CITY LEAD ERL RACE

Haaland looks set for Blues move

MANCHESTER City
have taken the lead in
the race for Erling
Haaland.

Pep Guardiola wants to sign a big striker to fill the huge boots of Sergio Aguero.

City could have done with a conventional No9 this season but are on top

of the Premier League anyway. They sunk their cash into Jack Grealish but his move from Aston Villa has not been a resounding success – and he's not a regular starter at the moment.

Reports in Germany say City are out in the lead with their biggest rivals

Liverpool now out of the race.

Kop boss Jurgen Klopp is delighted with new arrival Luis Diaz and has Diogo Jota in top form too.

With Roberto Firmino, Mo Salah and Sadio Mane all in the squad the German doesn't want to spend big on another forward.

Haaland continues to be the hottest striker on the

continent but has a release clause for a relative bargain fee of £63m that kicks in this summer.

That means City and his other suitors will be able to offer the 21-year-old huge wages.

Bayern Munich are the biggest rivals City face but Borussia Dortmund don't want to sell their prized asset to their biggest rivals.
